## Internships

|                       |   |
|-----------------------|---|
| June 2024 - July 2024 | <b>Node Js Intern, Tuvoc Techology Pvt. Ltd. (on-site)</b><br>As an intern at Tuvoc Technology, I learned about Sequelize, Node.js, Express, MySQL, and Multer firsthand. During my one-month internship, I developed a client management system, integrated image and video uploads, and implemented intricate database linkages. Additionally, I worked on a project aimed at efficiently handling and filing complaints, which helped me improve my backend development and database management skills.  |
| June 2024 - June 2024 | <b>DevNullX Technology Pvt. Ltd.</b><br>As a Intern at DevnullX Technology I developed a Sales Expense Management System, implementing Django backend functionalities and Utilized HTML, CSS, and JavaScript to create an intuitive and responsive user interface. Integrated MapMyIndia API and Folium for advanced mapping features. Strengthened skills in web application development and gained valuable insights into software development processes.<br><br>Also contributed to "RaagViraag" project: Developed a user-friendly admin panel integrated with the database for easy blog content management. Enhanced web development skills and understanding of client-centric projects. |

---

## Extra-curricular Activities

|                       |   |
|-----------------------|---|
| Feb 2024 - March 2024 | <b>Organising Team Member, Hack The Spring Hackathon</b><br>As the organizing Team Member of "Hack the Spring," one of Hackathons powered by Google GenAI, I coordinated a team to plan and execute the event, managing logistics and communications. This role enhanced my team Work, project management, and problem-solving skills, ensuring a successful experience for over 400 participants, with over 750 registrations in just 20 days. |
| Jul 2023 - May 2024   | <b>Content &amp; Documentation Team Lead, Club IDE</b><br>As a Documentation Head at the Club IDE, I Coordinated with other club members to streamline the documentation process and through this Enhanced organizational skills and attention to detail through meticulous record-keeping.   |
